

FEBRUARY 2024

Centre for Women's and Gender Research, UW

presents the seminar

Between the idea (of protection against discrimination) and the (gender) ideology? Protection against gender-based violence against women in Poland

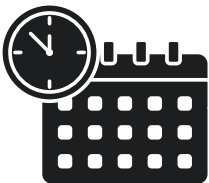

Speaker:
Aleksandra Szczerba, doc.
habil

The presentation will be devoted to critical analysis of the Polish legal and political instruments of protection against gender-based violence against women through the gender equality lens. It will present the result of the research conducted under the [EUHatEq](#) project.

Aleksandra Szczerba: attorney-at-law, habilitated doctor of law (2020), professor at the Jacob of Paradies University in Gorzów Wielkopolski and Visiting Professor at the University of Bari Aldo Moro (Italy), expert of Team Europe Direct, anti-discrimination lawyer at the Office of the Commissioner for Human Rights.

Moderation: [Katarzyna Sękowska](#) (doc habil., INP PAN, Poznan)
